

farm to fork Table Dinner

Saturday, July 20

The Farm to Fork Table Dinner features a one-of-a-kind menu for family style dining including appetizers, salad and the main dish. The chef of **Jessup Farm** is working hard on the menu that is sure to feed the appetite of anyone attending. In addition to a meal, drinks will be provided and live acoustic music by Jay Martin. Opportunities to raise money for Crossroads will abound with a silent and live auction, games and more!

We invite you to participate as a sponsor of the Farm to Fork event. See our sponsorship levels and benefits to the right. We are happy to customize one of these levels to fit your needs!
